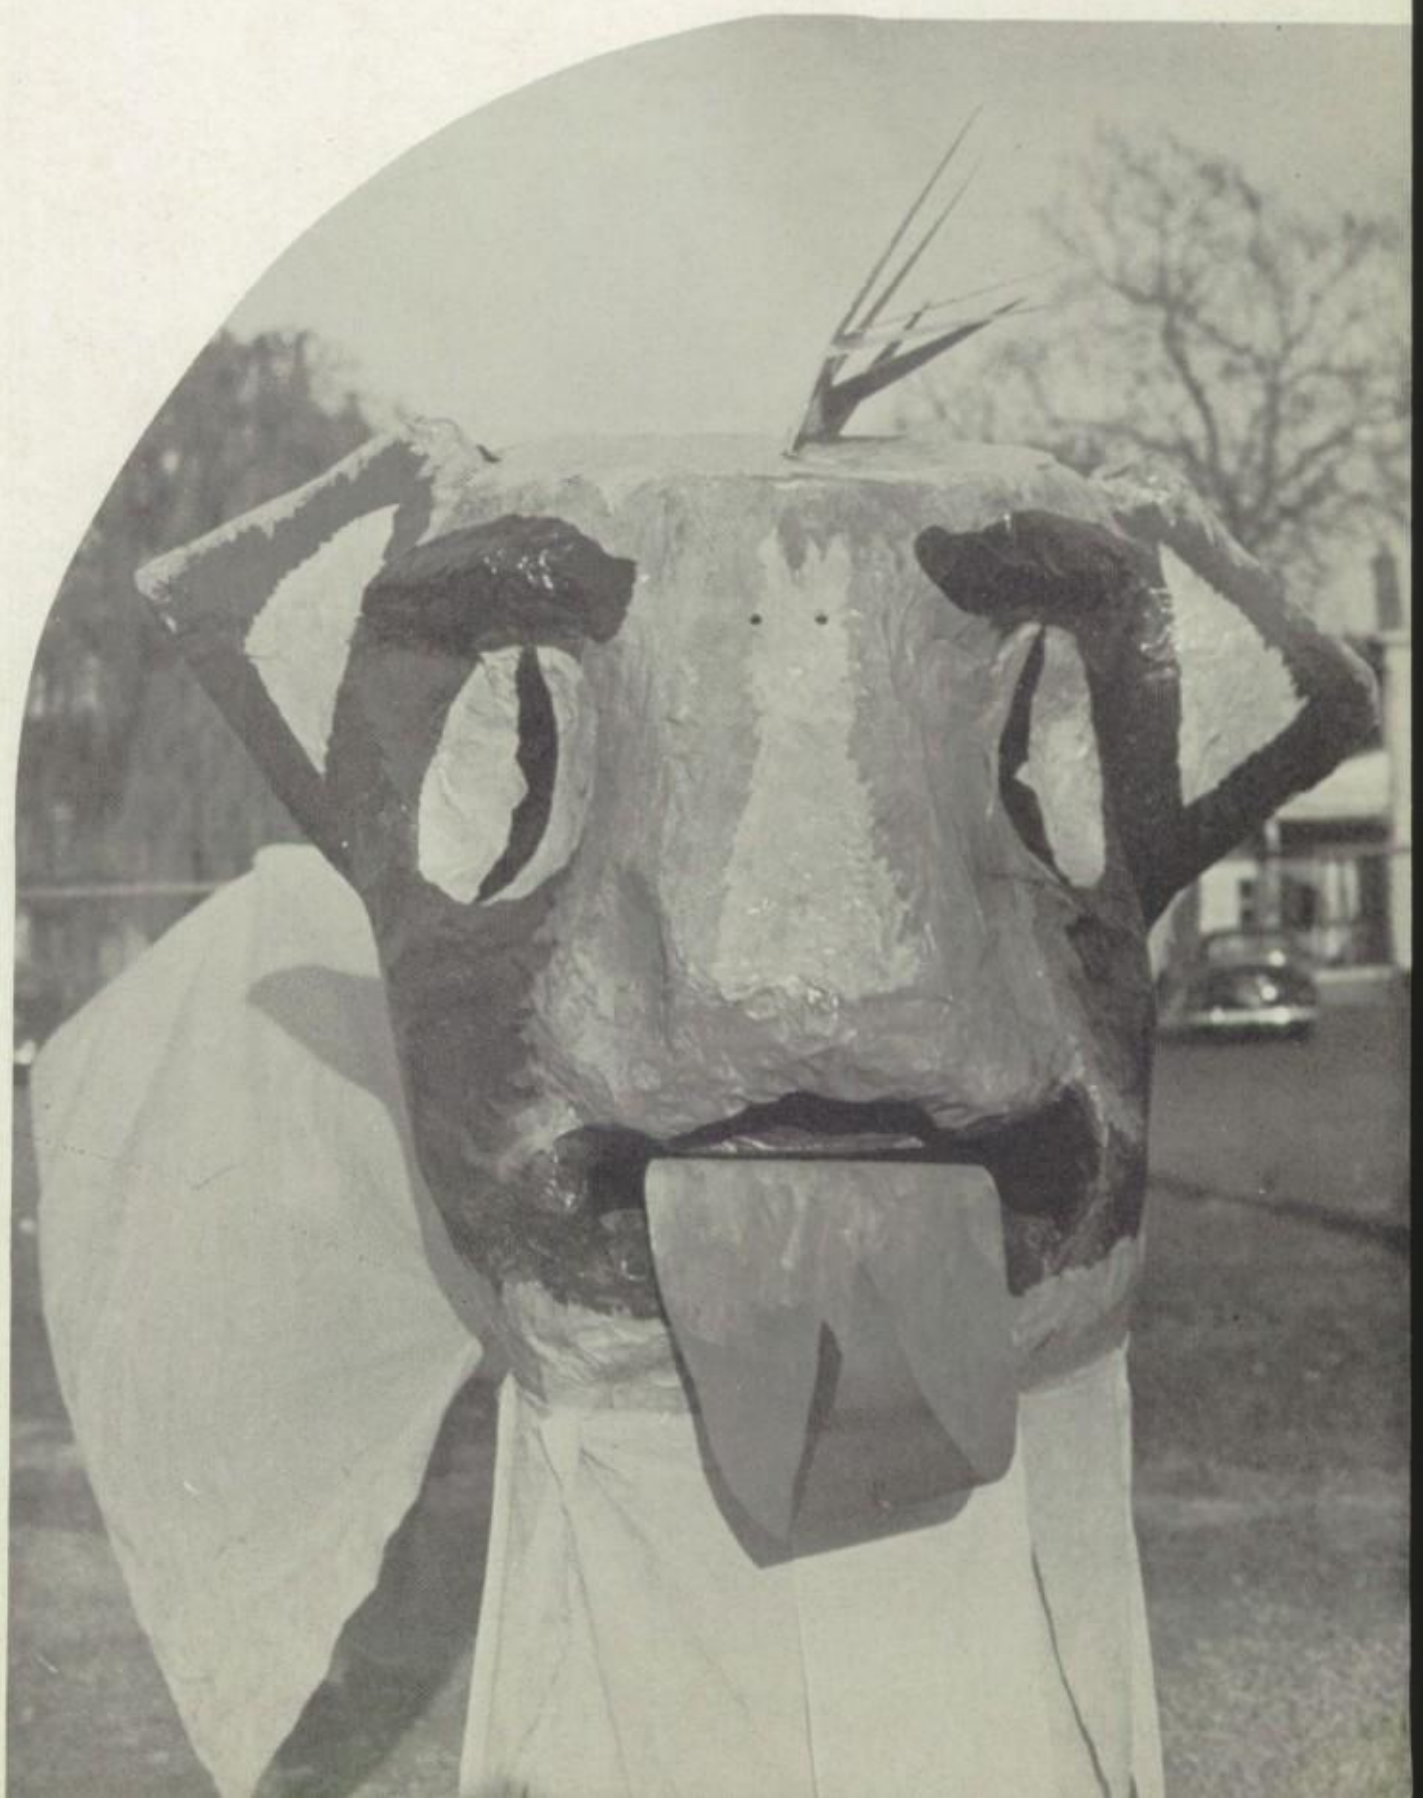
FORWARD

We have spent another year at Elizabethtown High School working, learning, playing, and laying a foundation for our future lives.

Between the covers of this book lies the recorded history of the Class of '53 and its place in our school.

Throughout our yearbook we have endeavored to depict the theme, "School and Community," one and inseparable, the warp of one closely interwoven with the woof of the other.

We leave behind fond memories of our Alma Mater, where we were injected with the principles of loyalty to school, community, and nation.



MISS HUNSECKER RELAXES

Breaking the monotony of study hall, Miss Hunsecker engages in a bit of funmaking with a few of her students.

In her capacity as health instructor, Miss Hunsecker demonstrates correct posture as one of the phases of hygiene.

Striking a serious note at Dr. Thompson's banquet, Miss Hunsecker bids farewell to her championship hockey team.

Miss Hunsecker proves to be a good sport as she avidly participates in the cheering at a pep rally.

DEDICATION

MISS JANE K. HUNSECKER

It is difficult to put into words our feeling of sincere appreciation and gratitude to Miss Jane K. Hunsecker, for all that she has done in behalf of our class.

Throughout the three years that she has served as our class adviser, friend, and teacher, Miss Hunsecker has embedded deeply, within each one of us, memories not soon to be forgotten--memories of the many hours of her time she gave in order to help us become adults, capable someday of taking over inherited responsibilities; of always putting forth untiring effort so that our class might attain the goals which we have; and of being so understanding whether in her capacity as teacher, hockey coach, or personal friend.

Therefore, to you, Miss Hunsecker, we, the Class of '53, are very proud and honored to have the privilege of dedicating this edition of "The Elizabethan."

A TEACHER AFFECTS ETERNITY. HE CAN NEVER TELL WHERE HIS INFLUENCE STOPS.

Adventures, chills, and thrills all began when Hugo Bromley and Jeffrey Hall answered a newspaper advertisement: "GHOST WANTED. Full-time, healthful work, haunting lovely island home. Apply Ramshead Rock." The young men's job proved to be more than interesting as they uncovered voodooism, zombees, a secret panel, a foreign spy ring, an arsenal, and two very lovely and charming young ladies. With the mystery at Ramshead Rock solved and two young loves in bloom, we closed our program with many fond memories and moments locked behind the scenes.

The cast was jittery, the audience expectant, and the sweet strains from the orchestra drifted into the distance as the curtain rose and we were transplanted into a rollicking comedy of the younger generation. Maudie found herself in a peck of trouble by using her mischievous techniques to have her sister's boy friend "pop the question." Our understanding was soon wrapped up by the irresistible magnetism of Maudie and her teen-age friends. The curtain fell on our final performance, but in our hearts we will always remember "Men Are Like Street Cars" as a job well done.

OUR PROM

Our gym was converted into the "Land of Enchantment" for the prom ... the revolving chrystal ball and starry sky completed our enchanted evening... Les Michener and his Gettysburgians added music to the gala event... hours after school and at night were spent putting the sparkles on stars, stretching crepe paper on the ceiling, building the band stand, collecting furniture, preparing punch and cookies, and cleaning the gym... blue programs were the constant companions of every girl... unwilling hands but happy hearts removed the staples from the woodwork after our night of nights.

THEY GAVE THEIR BEST

During the past three years our high school girls' field hockey team, under the capable coaching of Miss Jane Hunsecker, and through its hard work, co-operative team play, and undying spirit, has rolled up an unparalleled record of 21 wins, one loss, and two ties, and outscored their opponents 87 points to 11 in this same three-year span. Also to be added to this impressive record is the fact that our team won three consecutive league championships throughout the '50, '51, '52 seasons: the first time in the history of the league for a team to accomplish this feat.

The 1952 season saw our local lassies roll up a league record of six wins and no losses. Our home field was the scene of the first game of the season in which our gals drubbed East Donegal to the tune of 7-2. The following week, again playing on their home grounds, the team rumped over Manheim Central 4-0. After these two victories our gals traveled to Mount Joy where they took on, and over, an underrated Mount Joy "11" by a score of 2-0. Now swinging into the homestretch, with victory in sight, the gals traversed to Maytown where they again drubbed East Donegal, this time by a score of 6-0. In chalking up their fifth consecutive win by once more beating Manheim Central on the loser's field 4-0, the local team clinched the championship for the third straight year. In the final league game of the season which was played in E-town and served only as an anti-climax, our team defeated Mount Joy 3-0. Following the regular season, E-town played two exhibition games, losing their only game of the year to East Hempfield 2-1; and then ending the season on a true note, they defeated Lititz 5-0.

Throughout the three crown-producing years, goals scored by seniors who played their last game in the 1952 season are as follows: Pat Seiders, 33; Dot Grubb, 31; Iva Brubaker, 7; Sue Beck, 2; and Joy Wenger, 2.

This year twelve girls strapped on their shinguards and picked up their hockey sticks for the last time for Elizabethtown High School and, although all did not share in the scoring honors, without any one of them, our team could not have conquered their challenged foes, for it was only through the united effort of all of the girls that our school name could be written into the league records as true champions. These seniors include: Dot Grubb, Pat Seiders, Iva Brubaker, Sue Beck, Gwen Clarke, Jo Wanamaker, Joy Wenger, Sue Patton, Doris Emenheiser, Grace Pyle, Millie Lokey, and Jo Otis. It can truly be said of these girls: "They gave their best--for E. H. S."

FOOTBALL HIGHLIGHTS

COLUMBIA

The BEARS met a more experienced Columbia team for the opening game of the season. However, our BEARS gave the Crimson Tide one of their better battles of the year before bowing 13-0 at Columbia.

MANHEIM TOWNSHIP

The first home game of the season found our hard-working team outlast a strong Manheim Township team to win 7-0. The Blue Streaks of Manheim Township have never beaten an E-town team, and this year the BEARS kept the string rolling under its three new coaches Daubert, Beaver, and Frantz, along with veteran coaches Eppler and Barnhart.

MANHEIM BORO

The BEARS next traveled to Manheim Boro where they encountered an inexperienced Baron team. The team displayed a smooth offense and hard-hitting defense to pound out a 24-0 victory.

LITITZ

The BEARS returned home to meet the favored Litiz Pretzels, but our ever-improving team staved off a last quarter rally to come out on top 14-12. The Pretzels proved a tuned-up opponent, only to bow to a more determined team.

EPHRATA

An inspired underdog, E-town eleven traveled to Ephrata to meet the defending conference champs. Although the BEARS outplayed the Mountaineers throughout the game, we had to be satisfied with a 6-6 tie.

MIDDLETOWN

An old rivalry was renewed as the BEARS journeyed to Middletown after an open date Friday. E-town started things off right, scoring on the first play, after the kickoff. In a balanced contest that was hardfought throughout, the BEARS and Blue Raiders fought to a 20-20 stalemate, our second tie of the campaign.

SOLANCO

The Golden Mules of Solanco proved no match for hard-driving E-town BEARS. Scoring a touchdown in every quarter, the BEARS displayed the power that made them a much-feared conference contender, 26-6.

RED LION

Our BEARS next invaded Red Lion of York County for another conference tilt. As the first half ended, the BEARS held a 13-0 lead. In the third quarter, the determined Red Lion team jumped to a quick 14-13 lead, only to have our favored BEARS add nineteen points in the last quarter for a 32-19 triumph.

PALMYRA

The conference leaders, the Palmyra Palms, brought a classy and powerful eleven to E-town. The heavily favored Palms found our upset-minded BEARS much too stubborn to fall victim, as did the Palms' previous opponents. The hard-fought contest ended in a 0-0 tie with a background of 5,000 screaming fans.

COURT HIGHLIGHTS

E-town's fighting bears, previous Section I champs and county runners-up for 1951-52 season, ended this year's basketball season with two wins and eight losses in league competition. The Bears finished in a two-way tie for last place, but this is no indication of the fight they boys put up during the campaign.

After a seven-game losing streak, our boys finally got into the win column with a 45-38 victory over Dallastown. The very next game found us again on the victory side of a thrilling 47-46 contest with Manheim Central.

Then followed a five-game losing streak which ended in an exciting 40-38 victory over previously unbeaten New Cumberland.

About this point of the season, Coach Barnhart removed his seniors from the starting line-up to make way for promising underclassmen. The new and scrappy varsity then took a close contest away from Marietta in the last few seconds of play, 43-42.

Our inexperienced bears fought gallantly but came out on the short end of the scores in the remaining four games.

Art Adviser . . . . . Miss Bahr
General Adviser . . . . . Miss Bell

The hard-working yearbook staffs labored to make THE ELIZABETHAN "bigger and better"...staff heads met each evening after school, struggling to conquer printers' terminology, to achieve attractive layouts, and to iron out all the little wrinkles in order to present to the students a book that is original and different...rewriting copy--oh, what a problem!...were really busy when the first copy came back for proofreading just when the second deadline was due...what headaches the photography staff had--arranging schedules with photographer, Glenn Gainer, trying new poses for the group pictures, and snapping students unaware ...the business staff sold ads, patrons, and yearbooks to finance the book...business staff members conducted the sales campaign and distributed the books in May...literary staff sought for new interest and life in their copy, for "catchy" phrases to accompany snaps, trying to learn the name of that last person on the Junior Orchestra picture... the art staff suggested the layouts and drew the tricky line cuts...all were a very important part in presenting this yearbook "The Elizabethan of 1953."

BUSINESS STAFF, SEATED, left to right: G. Snyder, D. Miller, B. Sinniger, E. Beck, C. Moose, J. Landvater, J. Warden. STANDING: M. Hoover, J. Walborn, G. Hoerner, C. Griffith, E. Cobaugh, B. Landis, M. Lokey, J. Wanamaker, D. Emenheiser, L. Gutshall.

FRONT ROW, left to right: J. Douglass, F. Harzer, J. Smith, P. Shelley. SECOND ROW: M. Hershey, S. Swisher, M. Bingeman, S. Good, J. Otis, P. Seiders, S. Brown, G. Hixson, G. Ulrich, A. Risser, N. Evalt. THIRD ROW: S. Bates, Y. Cosner, M. Meinhardt, C. Nauman, A. Newcomer, J. Miller, A. Kilhefner, E. Hershman, C. Gilgore, M. Fetter, M. Espenshade, J. Adams, R. Fisher.

JOURNALISM CLUB

Advised by Miss Wagner, this club is one of the hardest working clubs in the school... publishes the "Bear Gazette" ... taught the fundamentals of journalism... divided into first-and second-year groups... consists of good journalists, snoopy reporters, gossipy columnists, clever artists, and excellent typists... second-year group meets every Thursday during the fourth period, and first-year group, on Monday fourth period... composed of sophomores, juniors, and seniors... provided wit with features, "Around E. H. S.," "Hit Parade," and "Who Am I?"; seriousness with its monthly features; education with its crossword puzzles, and features on the months and holidays; kept students posted on sports, dances, clubs, classes, faculty news, alumni news, assemblies, and plays... Pat Seiders, editor; Paul Shelley, assistant; Sue Brown, business manager; Shirley Swisher, circulation manager; and Carol Fogie, exchange editor.

"The Bear Gazette" hot off the press!

Pat Seiders and Miss Wagner putting the finishing touches to "The Bear Gazette."

AROUND E. H. S.

READING FROM TOP TO BOTTOM:

Dr. Thompson with the speakers at his annual athletic banquet.

Our Curtis Campaign leaders led our magazine sales over the top.

The Bear Gazette business managers take time out from their duties.

Faculty and students enjoying the highly successful faculty-sponsored Christmas dance.

F. H. A. girls prepare Bundle Day contributions to be sent overseas.

Diz Warfel puts the "finish" on his shampoo job as a part of Hi-Y initiations.

Lois Berrier and Shirley Bless exchange gifts as part of their F. H. A. Christmas party.

OUR BUSINESS OF TOMORROW DEPENDS UPON OUR BUSY-NESS OF TODAY.

That the Brotherhood of man transcends
The sovereignty of nations:

That economic justice can best be won
By free men through free enterprise;

That government should be of laws
Rather than of men;

That earth's great treasure
Lies in human personality;

And that service to humanity
Is the best work of life.
